NOTICE OF SUPPLEMENTAL AUTHORITY

The Minnesota Supreme Court held “there is no *state statute* that prohibits a major political party from placing on the presidential nomination primary ballot... a candidate who is ineligible to hold office.” That was an indirect recognition of federal preemption on the issue of determining whether an individual provided aid or comfort to an insurrection. It also confirms that this case is the correct manner by which to approach the issue: in *federal* court.

Plaintiff John Anthony Castro thanks Defendant Donald John Trump for this notice confirming that the federal judiciary is the proper forum for resolving this matter.

Dated: November 9, 2023.

Respectfully submitted,

By: /s/ John Anthony Castro
